

Dear Childhood STEM Enthusiasts,

Prepare your lab coats and goggles for an electrifying journey as we invite you to be a part of an extraordinary event: Kids Discovery Museum's annual auction! It's a soirée dedicated to igniting the sparks of childhood curiosity and exploration.

Mark your calendars for Saturday, September 7th, when the magic unfolds at the Kids Discovery Museum on Bainbridge Island.

As stewards of early childhood development, we concoct experiences that blend fun and learning, bubbling with excitement for the whole community and catering to the whims of our little Einsteins. Our mission? To fuel the dreams of our budding scientists and innovators!

To meet our fundraising goals, we are asking for donated goods and services. Here are some ideas of what has typically been successful in our auctions:

- 🏠 Vacation Home Rentals
- 🎫 Tickets/Access to Special or Exclusive Events
- 🍷 Food & Wine Experiences
- 📺 Cash Donations to purchase items to round out Auction Packages

By hitching your star to this event, you'll be directly catalyzing KiDiMu's mission to cultivate Discovery, Inspiration, and Growth among our early learners. Join forces with us on this exhilarating quest! Let's make waves, concoct experiments, and spark joy in the hearts of our young explorers together.
