

Dear Childhood STEM Enthusiasts,

Prepare your lab coats and goggles for an electrifying journey as we invite you to be a part of an extraordinary event: Kids Discovery Museum's annual auction! It's a soirée dedicated to igniting the sparks of childhood curiosity and exploration.

Mark your calendars for Saturday, September 7th, when the magic unfolds at the Kids Discovery Museum on Bainbridge Island.

As stewards of early childhood development, we concoct experiences that blend fun and learning, bubbling with excitement for the whole community and catering to the whims of our little Einsteins. Our mission? To raise a whopping \$150,000 to fuel the dreams of our budding scientists and innovators!

Through your generosity, we'll be able to:

- 🔍 Extend our free outreach programs across Kitsap County, reaching every corner with the wonders of discovery.
- 🚀 Provide free and reduced access to our museum and programs through our Museums For All initiatives and free community days at the museum so all Kitsap County children and their families can experience a world-class museum experience
- 🌟 Maintain and spruce up our exhibits, guaranteeing that generations of Kitsap's youth can continue to bask in the splendor of a world-class children's museum.

By hitching your star to this event, you'll be directly catalyzing KiDiMu's mission to cultivate Discovery, Inspiration, and Growth among our early learners. There's a galaxy of sponsorship levels to choose from, ensuring there's a cosmic fit for every benefactor.

Join forces with us on this exhilarating quest! Let's make waves, concoct experiments, and spark joy in the hearts of our young explorers together.

Blasting Off,
The KiDiMu Crew
